Ukraine Road Corridors

ABSTRACT

The Project aims to enable critical road infrastructure repairs on the road links that are part of the TEN-T corridor.

PROJECT COMPONENTS

Component 1: the capital repair of M-09 Ternopil – Lviv – Rava-Ruska road section between Lviv and Rava-Ruska;

Component 2: restoration of operational condition and safety improvements on the sections of M-06 Kyiv-Chop road in Kyiv, Zhytomyr and Rivne regions;

PROCUREMENT INFORMATION

Procurement will be conducted using the EBRD Client E-Procurement Portal (ECEPP).

- [Project Implementation Advisory and Monitoring Consultant Procurement notice](#)
- [Improve procurement practices Procurement notice](#)
- [ECEPP TERMS AND CONDITIONS OF SERVICE](#)

Active procurement notices:

Ukraine: Project Implementation Advisory and Monitoring Consultant – Re-tender

Deadline – 07.07.2025

Procurement includes:

1. Supervision of the work of the Client and the PMU (staffing, development of a training plan)
2. Monitoring during Procurement (procurement support, strategy, evaluation process)
3. Contract Implementation Support (preliminary analysis of project documentation, verification of project compliance with norms and standards, consulting support to the employer etc.)

4. Assistance with Compliance & Reporting Obligations under the Financing Documents
5. Environmental and Social Implementation Support

Improve procurement practices for road/bridges works contracts procured under national laws: standard procurement documents; use of FIDIC Conditions of Contract; use of independent contract engineers; procedure for direct contracting.

Deadline – 21.07.2025

Procurement includes:

Task A. Develop a comprehensive set of standardised tender/ procurement documents.

Task B. Evaluate the applicability of FIDIC Conditions of Contracts for road works contracts procured under national rules and financed from the state budget funds.

Task C. Assess the feasibility of employing independent contract engineers for state-funded road works contracts.

Task D. Assess specific requirements for direct contracting / direct negotiations procedure for road works contracts.

Task E. Enhance the capabilities of stakeholders involved in road sector procurement.
