Dnipro Public Buildings EE III

ABSTRACT

The objective of the project is to support energy efficiency and reducing emissions in public buildings in Dnipro and enhancing public service quality, ensuring long-term sustainability. Energy efficiency measures for schools and hospitals will require procurement of various equipment and technical services.

PROCUREMENT INFORMATION

Procurements will be conducted using the EBRD Client E-Procurement Portal (ECEPP)

- [Project Summary](#)
- [General Procurement Notice](#)
