# Pre-qualify for installation of Energy Equipments

## ABSTRACT

The purpose of this pre-qualification is to establish a list of pre-qualified companies that will be invited to bid for works and services related to Installation and Commissioning of Gas (Natural Gas/Biogas) Generation/Cogeneration Units (containerized with gas engine drive, non-containerized with gas engine drive, with gas turbine drive).

## PROCUREMENT COMPONENTS

Installation and commissioning of gas generation/cogeneration unit will include but not limited to:

- foundations for gas generation/cogeneration units;
- foundations for the entire scope of auxiliary equipment;
- civil works;
- supply and installation of auxiliary equipment and materials;
- installation of the entire scope of main and auxiliary equipment;
- construction of pipelines and cable lines, including connection to the gas and electricity grids;
- commissioning of the installed equipment and the entire project.

## PROCUREMENT INFORMATION

Deadline for application – 07.05.2026
