Technical Assistance Framework Agreement

ABSTRACT

The procurement aims at selecting consultants under a framework agreement for the provision of technical assistance in project preparation, feasibility studies, and support to project implementation units for beneficiary municipal entities.

PROCUREMENT COMPONENTS

The assignments may include, but not be limited to, the following tasks:

- Reviewing, verifying and elaborating of project proposals, as well as conducting scoping and feasibility studies to enable financiers to assess and structure bankable projects.
- Capacity building, development of operating procedures, and conducting of environmental and social assessments.
- Project preparation, including drafting and updating Project Implementation Plans ("PIP"), implementation schedules, project budgets, and Procurement Plans.
- Ensuring compliance with industry best practices and the application of innovative design solutions.
- Procurement and contracting of goods, works, and services, ensuring full compliance with Nefco Procurement Policy and Procedures.
- Contract administration, construction supervision and arrangement of timely disbursements under the contracts.

PROCUREMENT INFORMATION

Deadline for application – 29.06.2026
