OUR OFFER FOR YOUR COMMITMENT IN THE PARTNER COUNTRIES

eAcademy Tourism & Hospitality

The eAcademy gives learners free access to high-quality digital learning content – anytime, anyplace – and offers a wide range of practical topics for vocational education and training. The self-study courses of the eAcademy in Tourism & Hospitality are geared to interested persons working in tourism or seeking further training as a tourism professional. The courses are free of charge and can be taken flexibly. They are available in three languages (EN, FR, ES). The eAcademy is hosted on the learning platform ↗ atingi.org of the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ).

PRACTICAL EXAMPLES

The **TUI Care Foundation** uses the eAcademy as the basis for an individualised online programme for its specific target group. The **Southern Africa Tourism Services Association (SATSA)** and the **East African Community Tourism Capacity Development Programme (EAC)** in Tanzania work with the eAcademy to provide tourism professionals with broad and good access to specialised knowledge.

Easily accessible, relevant and in 3 languages (EN, FR, ES)

1.3 million courses completed

Most successful learning programme on atingi.org

YOUR BENEFITS

- **Low entry requirements** and **quick results** for learners with deliberately small-scale courses
- **Inclusive and low-barrier approach** – ideal for job seekers to prepare for re-entry into the labour market
- **Storytelling approach** and **interactive elements** combine education with entertainment
- A **certificate** at the end of each course proves the knowledge acquired
- **Complementary support for your tourism** projects in partner countries in the Global South as part of development cooperation

Would you like to use the eAcademy in your project and already have concrete ideas? Contact us at tourismus@giz.de
