

JOB FAIR EXHIBITION – NAIROBI KENYA

We would like to cordially invite you to participate in our upcoming Job Fair Exhibition. The event will take place on

 **27th September 2024**

 **The Sarit Expo Centre, - Nairobi Kenya.** <https://saritexpo.com/>

 **from 8 am to 6 pm.**

Germany requires labor market migration due to demographic shifts and a growing shortage of skilled workers. This migration helps fill sector-specific gaps, promotes investment and innovation, and contributes to the stability of social security systems. Successful integration is crucial, supported by the Skilled Immigration Act, which provides various opportunities and perspectives. Kenya faces high youth unemployment. Fair labor migration can alleviate this issue and provide international career opportunities for young Kenyans.

Your participation will provide valuable opportunities to connect with a large pool of qualified candidates seeking new careers as well as potential partners from Kenya and Germany which might be your missing link for a sustainable and successful business. The event aims to bring together top employers, recruitment agencies and qualified job seekers, a chance to showcase your agency's services and expertise to a wide audience and facilitate a dynamic and productive environment. B2B networking opportunities will be arranged.

Please contact us to reserve your exhibition booth:
