Achieving more together

Your develoPPP project will be implemented jointly with one of two experienced partners.

DEG Impulse, a non-profit subsidiary of DEG - Deutsche Investitions- und Entwicklungsgesellschaft mbH, promotes the social and ecological transition of the private sector in developing and emerging-market countries. It supports partner companies with financing expertise and entrepreneurial know-how **to implement impactful develoPPP projects under their own management.**

GIZ has been active in international cooperation for sustainable development for more than 50 years. Based on its exceptional technical and regional expertise, over 120 country offices and strong networks with local structures and actors, GIZ focuses on **develoPPP projects, which are to receive technical support on the ground and be integrated into local networks.**
